GRC 2008 Roster / Registry of Geothermal Services & Equipment

yellow pages

The GRC 2008 Membership Roster and Registry of Geothermal Services & Equipment will be published in June 2008.

The *Roster* portion of the publication includes complete, cross-referenced listings of GRC members, allied associations, geothermal companies, government agencies, and research and academic institutions.

The *Registry* portion of the publication is our familiar "Yellow Pages," which includes display ads and a variety of categories under which your company may be listed with a brief description of your geothermal services and/or equipment.

Registry Listing Rates

Listings may be purchased in as many categories desired at a rate of \$58 each. Simply complete the form at right, refer to the form provided on the back of this page to select your desired category(ies), and provide a brief description of your services and/or equipment under each. Deadline for receipt of this form with payment for your Registry listing(s) is March 31, 2008.

Registry Listing Guidelines

- List in as many categories desired.
- Rate is \$58 per listing.
- Complete the *Registry* listing form provided on the back of this page, providing brief descriptions (20-word maximum) of your services and/or equipment for each category desired. If you want to use the same message(s) that appeared in the 2007 *Registry*, please note under each category. Submissions may be subject to editorial changes if required.
- Mail completed *Registry* form (front and back) with payment by check or credit card to the GRC by March 31, 2008.

Please print or type your information as you wish it to appear in the *Registry*.
