## **Fieldtrips from Geothermal Resources Council Annual Meeting**

*Popular excursions from the GRC Annual Meeting & GEA GeoExpo+ in Salt Lake City, Utah.*

*Salt Lake City, USA:* The Geothermal Resources Council (GRC) has announced more details of events at the world's largest annual geothermal conference in Salt Lake City, Utah, USA. Information is available at [www.geothermal.org/meet-new.html](http://www.geothermal.org/meet-new.html).

In addition to the main event of the GRC Annual Meeting & GEA GeoExpo + taking place October 1-4, 2017, there will be one fieldtrip before the conference and one fieldtrip just after.

From September 28 - October 1, there will an opportunity to visit the geothermal wonderland of Yellowstone National Park in the company of geothermal experts. Duncan Foley and Roy Mink will lead a four-day trip of a lifetime to view the wide range of hydrothermal features set amongst stunning natural scenery and wildlife.

In addition, there will be a two-day tour of fascinating geology and geothermal sites in the south of Utah. On October 4 and 5, Rick Allis, Director and State Geologist of the Utah Geological Survey will lead a group to view geothermal power plants and the site of the Utah-FORGE (Frontier Observatory for Research in Geothermal Energy) project.

The GRC Annual Meeting & GEA GeoExpo + is the industry's largest annual gathering of leading geothermal energy scientists, producers, renewable energy industry stakeholders, regulators, utilities, and key associated business leaders. The four-day event will offer technical, policy, and market conference sessions, educational seminars, tours of local geothermal and renewable energy projects, a trade show and numerous networking opportunities.

Registration for the GRC Annual Meeting is now open and includes entry to the GEA GeoExpo +. Room reservations can now be made on the GRC website at [www.geothermal.org](http://www.geothermal.org). A discounted room rate at two hotels is available until September 5, so early reservations are recommended.

For more information about the GRC Annual Meeting & GEA GeoExpo + at the Salt Palace Convention Center, Salt Lake City, Utah, USA, visit [www.geothermal.org/meet-new.html](http://www.geothermal.org/meet-new.html) or call (530) 758-2360.

For information on how to sponsor this event, contact Estela Smith, GRC at (530) 758-2360 or [grc@geothermal.org](mailto:grc@geothermal.org).

##

*About the Geothermal Resources Council:*

With the experience and dedication of its diverse, international membership bolstering a more than 40-year track record, the Geothermal Resources Council has built a solid reputation as one of the world's preeminent geothermal associations. The GRC serves as a focal point for continuing professional development for its members through its outreach, information transfer and education services.
