

10:00 AM – 12:15 PM **Direct Use Plenary Session**

- **What are Thermal Energy Networks (TEN)?**
Speaker: Jay Egg, EggGeo

- **Panel Discussion: How Specific Policies Can Propel Needed Manufacturing and Workforce Development for Geothermal Heat Pumps, Industrial Heat, and Thermal Energy Networks**
Moderator: Jack DiEnna, Pennsylvania Geothermal Association and Geothermal National and International Initiative
Panelists: Joselyn Lai, Bedrock Energy | Zeyneb Magavi, HEET | Doug Presley, Dandelion Energy

- **Panel Discussion: What Climate NGOs from Multiple Viewpoints Think About Geothermal and Why They Support Geothermal**
Moderator: Ania Camargo, Building Decarbonization Coalition
Panelists: Jeremy Harrell, ClearPath | Terra Rogers, CATF | Alex Laska, Third Way | Nick Loris, C3 Solutions

12:15 PM - 1:15 PM **Lunch**

- **Introduction** *Speaker: Barry Smitherman, Texas Geothermal Energy Alliance*
- **Keynote Speaker:** *Neil Chatterjee, Former FERC Chairman*

1:15 PM - 3:30 PM **Power Plenary Session**

- **Introduction**
Speaker: Bryant Jones, Geothermal Rising

- **Panel Discussion: The Importance of Environmental Justice, Equity and Community Engagement in Geothermal Development**
Moderator: Zoe Cadore, Calpine
Panelists: Johanna Ostrum, Transitional Energy | Danielle Matthews Seperas, Calpine Corporation | Uni Blake, American Petroleum Institute | Guillermo Sierra, Nabors | Jessica Eagle-Bluestone, MHA Nation and RESPEC

- **Panel Discussion: What Governments Can Do to Support the Scale and Commercialization of Geothermal Power Production**
Moderator: Caity Smith, Zanskar
Panelists: Jeanine Vany, Eavor | Paul Thomsen, Ormat | Jonathan Weisgall, BHE Renewables | Ben Serrurier, Fervo Energy | Amanda Lonsedale, Magnitude Global Finance

3:30 PM - 3:45 PM **Coffee Break**

3:45 PM - 5:15 PM **Innovation Plenary Session**

- **Introduction**
Speaker: Bryant Jones, Geothermal Rising
- **What is SHR? The Role of Drilling in SHR and Drilling Innovations**
Speaker: Terra Rogers, CATF
- **Panel Discussion: Opportunities and Challenges of SuperHot Geothermal: A High-Risk, High-Reward Resource Requiring Investment in Innovative Drilling Methods, Materials, and Technologies**
Moderator: Terra Rogers, Clean Air Task Force
Panelists: Tony Pink, NOV | Matt Toews, Eavor | Matt Uddenberg, Altarock | Stephanie Wade, Quaise | Tatiana Pyatina, BNL

7:00 PM - 10:00 PM **Off Site Dinner (By Invitation Only)**

All events scheduled for Monday, June 5, with the exception of dinner, will be held at The Willard InterContinental Hotel in Washington, DC.

TUESDAY, JUNE 6 **Geothermal Hill Appointments**

7:00 AM – 8:00 AM **Congressional Meeting Prep Breakfast**

- **Breakfast at the Willard InterContinental Hotel**
- **Introduction**
Speakers: Terra Rogers, Clean Air Task Force, and Carl Leighty, Waxman Strategies

8:00 AM - 5:00 PM **Geothermal Congressional Hill Appointments**

- **Participating attendees will receive separate information regarding the time and location for their meetings.**

DISCOVER THE POWER OF GEOTHERMAL ENERGY:

USE THE EARTH TO SAVE THE EARTH
